

Office of Institutional Effectiveness

SUNY BROOME

As part of its ongoing efforts to monitor the success of SUNY Broome Community College's programs, the Office of Institutional Effectiveness conducts an annual survey of graduates to inquire about whether they have found employment and/or have plans to continue their education.

While all graduates are surveyed about finding employment, the college is particularly interested in graduating students from AAS, AOS, and certificate programs, which are designed to prepare students for immediate employment upon graduation. As such, this report focuses on the employment of our graduate students. The Transfer Report published by the college provides information on the transfer of students to other SUNY campuses. This report is available at www.suny-broome.edu/institutional-effectiveness/transfer-report.
